

Dear Oblate Directors,

I must apologize for being six months behind on the NAABOD Newsletter. So much is happening at our monastery (mainly transition with election of new prioress, juggling so many ministries around, the pandemic, and this that and the other). I hope you understand. Those of you who sent me content, I have it filed to use in an upcoming newsletter which I hope will be soon.

But I do have some news for you now. The NAABOD Council (Sisters Celine Schock, Linda Larkman, and I) will be Zooming this Wednesday evening to come up with a theme for the 2022 NAABOD Conference August 4-9, 2022 at St. Meinrad. All three of us attended the *Being Benedictine* Conference May 28-30. We will be discussing themes from that conference that may apply to our Oblate Director ministry. I saw that a lot of you were also present at the conference. If you have any ideas for us, I would appreciate your email comments.
